EDUCATION

St. Bonaventure University - St. Bonaventure NY
Bachelor of Science, Childhood Education, May 20XX

GPA 3.75

TEACHING EXPERIENCE

20XX-Present

- Communicated appropriately and successfully with staff members and classroom teacher to ensure students were delivered planned instruction
- Demonstrated problem-solving, reasoning and creativity when faced with difficulties
- Implemented teacher's classroom management plan and assisted in creating a climate where students felt confident, safe and successful

20XX-Present

- Adapted the roles of the staff member that was assigned. Varied from classroom teacher, teaching assistant, or teacher aide
- Guided and encouraged students through lessons in whole group, small groups or 1:1 setting
- Facilitated a safe, caring, and productive environment that enriched learning and creativity
- Instructed high-risk students in inclusion settings and enabled success to all students

Spring 20XX

- Collected and analyzed data to inform instruction
- Consulted with parents regarding state reading assessments results
- Attended multiple school meetings
- Established small group behavior management system to increase student participation
- Created interactive bulletin board
