

Registering for a Noodletools Account

Click on a Noodletools link from the library's home page. Alternately, you can go directly to www.noodletools.com

Click on the blue Log In button in the top right corner

Next, click on “Register” next to “Don’t have an account?”

Please note that if you are registering for a new account from ~~campus~~, you will not see the green box that indicates that you have automatically been authenticated to our subscription.

Instead, you will be asked for the institutional ID and password to prove that you are part of our subscription group. You can obtain this from the library (contact ateng@sbu.edu or ref@sbu.edu) or from your professor if you are in an online class that is requiring use of Noodletools.

Fill out the fields on the next screen.
